

This Miscellaneous Form 99 Report is being filed in response to the March 12, 2008 letter from the FEC regarding the Monsanto Company Citizenship Fund aka Monsanto Citizenship Fund's (the Fund) 2007 Year-End FEC Report. In the letter, the FEC notes that the 2007 Year-End Report lists a contribution dated 12/3/07 in the amount of \$5,000 payable to the Missourians for Kit Bond committee, which contribution is designated for the 2008 primary election. The letter also states that since Senator Bond is not running in the 2008 primary election, but not until 2010, the contribution must be designated to the 2010 primary. Designating the 12/3/07 contribution to the 2008 primary election was caused by an inadvertent clerical error. Since the Fund had previously made a \$5,000 contribution in connection with Senator Bond's 2008 primary election, the Fund has requested from the Missourians for Kit Bond committee a refund in the amount of \$5,000. The Fund will report receipt of the refund on the FEC report covering the period in which the refund is received. The Fund will also send to the FEC a copy of the refund letter sent to the Missourians for Kit Bond.
